**Orders sent with out confirming availability may not be accepted**

Selling Prices include freight when purchased - insallation will occur additional fees

Quote & Reservation Policy	
	Due to the limited supply of Used equipment, it is highly recommended to verify availability before sending in an order. <b>If an order is received without advanced confirmation, it may not be placed due to the item having already been sold.</b> Calling to confirm availability will provide you the option of having the equipment placed on 24-hour hold. If an order is not received within the 24-hour hold period, the item(s) will be taken off hold and be made available to all others.
Freight Costs	
	All prices include freight costs of the item being purchased and shipping within the US.. If the item is being rented, the customer is responsible for freight <b>BOTH</b> ways (delivery and pick-up).
Rental of Used Equipment	
	All Used equipment is available for rental. Rental pricing is available upon request by Kent Hayes. <b>Prior to starting a rental - the Used Equipment Rental Policy/Agreement must be completed.</b> There is a minimum rental period of one (1) month.
	If the customer later decides to convert the rental into a purchase, we can apply a percentage of the rental fees toward the purchase price . Please contact Kent Hayes for details before a conversion to a purchase is made for specifics. Any warranty available will also be adjusted accordingly. <b>Please note that when renting the customer is responsible for the freight costs BOTH ways, as stated above</b>
